Never Say Never (original Version)

Romeo Void

If time itself was his demeanor
Thered be no sunlight or a glimmer
Of sunlight landin on the street
Sunsuit girls must be discreet
Sunsuit girls must be discreet
Nursing their fathers locked inside
They masqueraded as his brideI might like you better
If we slept together
But theres somethin
In your eyes that says
Maybe thats never
Never say neverThe slump by the courthouse
With windburn skin
That man could give a fuck
About the grin on your face
As you walk by, randy as a goat
He's sleepin on papers
When he'd be warm in your coatI might like you better
If we slept together
But theres somethin
In your eyes that says
Maybe thats never
Never say neverTheres no easy way to lose your sight
On the street, on the stairs
Who's on your flight
Old couple walks by, as ugly as sin
But hes got her and shes got himNever say never
