

Girls/Girls/Boys

Panic! at the Disco

I don't wanna hear you've got a boyfriend
Sometimes you're better off alone
But if you change your mind, you know where I am
Yeah if you change your mind, you know
Where to find me
'Cause I don't ever wanna be your boyfriend And never did I think that I
Would be caught in the way you got me
Push another girl aside and just give in Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice Pose, you've gotta save your reputation
They're close to finding out about your girlfriend
But if you change your mind, you know where I am
Yeah if you change your mind, you know
Where to find me
'Cause I don't wanna save your reputation And never did I think that I
Would be caught in the way you got me
Push another girl aside and just give in Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice I am just a villain vying for attention
From a girl
A girl who can't decide and here's the reason why Girls love girls and boys
Girls love girls and boys
Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice
