

# Worth It

**Danielle Bradbery**

Don't tell me I'm too hard to please  
That you're worn down from fighting for me  
A real man knows what he's signing up for  
And if you don't then I'll show myself the doorCause I'm worth it  
You're crazy baby if you think that I don't know it  
I ain't afraid to walk away if you can't see it, believe it  
And give me the love I'm deserving  
Cause I know I'm worth it  
Is it too much to look me in the eye  
And listen to what I'm saying this time  
I'm so tired of being up on your shelf  
And if that's what you want  
You want somebody elseCause I'm worth it  
You're crazy baby if you think that I don't know it  
I ain't afraid to walk away if you can't see it, believe it  
And give me the love I'm deserving  
Cause I know I'm worth it  
Cause I know I'm worth it, worth itDon't tell me I'm too hard to please  
You should be begging down on your knees  
Cause I'm worth it  
You're crazy baby if you think that I don't know it  
I ain't afraid to walk away if you can't see it, believe it  
And give me the love I'm deserving  
Cause I know I'm worth it
