

# Sex Dwarf

## Dirty Sanchez

[Repeat x2]

Uh

Uh

Uh

Uh

Uh uh

Isn't it nice

Sugar and spice

Luring disco dollies to a life of vice

I can make a film

Make you my star

You'll be a natural the way you are

I would like you on a long, black leash

I will parade you down the high street

You've got the attraction

You've got the pulling power

Walk my little doggie

Walk my little sex dwarf

We can make a scene

We'll be a team

Making the headlines

Sounds like a dream

When we hit the floor,

You just watch them move aside

WE will take them for a ride of rides

They all love your miniature ways

You know what they say about small boys

Sex dwarf

Sex dwarf

Sex dwarf

I'm in a Rolls Royce

Look it's so huge

It's big and it's gold

With my dumb chauffeur

Looking to procure

Run little doggie  
Lurid disco dolly

Run my little sex dwarf  
I feel so lonely  
Get my little camera  
Take a pretty picture

Sex dwarf  
In a gold Rolls  
Making it with the dumb chauffeur

Isn't it nice?  
Sugar and spice  
Luring disco dollies to a life of vice

Sex dwarf  
Isn't it nice?  
Luring disco dollies to a life of vice

We can make an outfit for my little sex dwarf  
To match the gold Rolls  
And my dumb chauffeur  
We'll all look so good  
We'll knock 'em cold  
Knocking 'em gold  
In black and gold

We can have playtime  
In my little playroom  
Disco dollies  
My sex dwarf  
And my dumb chauffeur

I would like you on a long black lead  
You can bring me all the things I need  
Sex dwarf  
Isn't it nice?  
Luring disco dollies to a life of vice

Sex dwarf  
Isn't it nice?  
Luring disco dollies to a life of vice

Sex dwarf
