To Me

Floating Spirits

To me, you are the hand that I reach for
When I've lost my way
To me, you are the first star of evening
The sun that warms my day

Just as sure as I'm sure
There's a heaven, this was meant to be
No road is too long
As long as you belong to me

To me, you are the truth I believe in
I believe in you
To me, you are the love I have looked for
My whole life through

Just as sure as I'm sure
There's a heaven, this was meant to be
No road is too long
As long as you belong to me

Just as sure as I'm sure
There's a heaven, this was meant to be
No road is too long
As long as you belong to me
