Pamela

Mark King

West l.a. in the modern day,
You can't play unless you look that way,
One more nip, one more tuck,
One more lift, one more suckPamela
Barbie is as barbie does
Pamela
Heaven in a boxTodd can't stalk the locker room,
Cause his weenie isn't blooming,
He knows size ain't everything
But he'd feel better with a swinging thingPamela
Engineering like no other
Pamela
I feel good about myselfMary lou has got a conk
That can match the eiffel tower
And her titties look like mine
Only mine are slightly largerPamela
Have you got the surgeons number
Pamela
Heaven in a boxPamela
Have you got the surgeons number
Pamela
Heaven in a box
