

For Always

Jennifer Grassman

I close my eyes
And there in the shadows I see your light
You come to me out of my dreams
 Across the night
 You take my hand
Though you may be so many stars away
I know that our spirits and souls are one
We've circled the moon and we've touched the sun
 So here we'll stay
 For always
 Forever
 Beyond here and on to eternity
 For always
 Forever
For us there's no time and no space
 No barrier love won't erase
 Wherever you go
I still know in my heart you will be
 With me
 From this day on
I'm certain that I'll never be alone

I know what my heart must have always known
 That love has a power that's all it's own
 And for always
 Forever
 Now we can fly
 And for always
 And always
We will go on beyond, goodbye
 For always
 Forever
 Beyond here and on to eternity
 For always
 And ever
 You'll be a part of me
 And for always
 Forever
A thousand tomorrows may cross the sky

And for always
And always
We will go on beyond, goodbye
