

# Unnatural Selection

## Muse

They'll laugh as they watch us fall  
The lucky don't care at all  
No chance for fate, it's unnatural selection  
I want the truth I'm hungry for some unrest  
I want to push it beyond a peaceful protest  
I wanna speak in a language that they'll understand Dedication to a new age  
Is this the end of destruction and rampage?  
Another chance to erase and then repeat it again Counter balance this commotion  
We're not droplets in the ocean, ocean They'll laugh as they watch us fall  
The lucky don't care at all  
No chance for fate, it's unnatural selection  
I want the truth No religion or mind virus  
Is there a hope that the facts will ever find us?  
Just make sure that you are looking out for number one I'm hungry for an unrest  
Let's push it beyond a peaceful protest  
I wanna speak in a language that you will understand Counter balance this commotion  
We're not droplets in the ocean, ocean They'll laugh as they watch us crawl  
The lucky don't share at all  
No hope for fate, it's a random chance selection  
I want the truth Try to ride out the storm  
Whilst they'll make you believe  
That they are the special ones  
We have not been chosen Injustice is the norm  
You won't be the first  
And you know you won't be the last Counter balance this commotion  
We're not droplets in the ocean, ocean  
Ocean, ocean They'll laugh as they watch us fall  
And the lucky, they don't care at all  
No chance for fate, it's unnatural selection  
I want the truth, I want the truth  
I want the truth, I want the truth
