I Can Talk (Golden Bug Remix)

Two Door Cinema Club

You won't believe what I tell you,
White coats and clever minds will choose
You get a lot from this
Loose tongue and arrogance
It's not appropriate
Don't think that this is itNow I can talk, no one gets off
(I know how you like to)
Now I can talk, no one gets offA longer sentence brings no more
Than one that I had said before
It's hard to compromise
When I see through your eyes
It's just a common view
I guess it's lost on youNow I can talk, no one gets off
(I know how you like to)
Now I can talk, no one gets offNow I can talk, no one gets off
(I know how you like to)
Now I can talk, no one gets offNow I can talk, no one gets off
(I know how you like to)
Now I can talk, no one gets offNow I can talk, no one gets off
(I know how you like to)
Now I can talk, no one gets off
