

I Love You Always Forever

Betty Who

[Betty Who]

Feels like I'm standing in a taintless dream
(A light mist of pale amber rose)
Feels like I'm lost in a deep cloud of heavenly scent
(Touching, discovering you...) Those days, of warm rains come rushing back to me
Miles of windless, summer night air
Secret moments, shot in the heat of the afternoon
Out of the stillness, soft spoken words I love you always forever...!
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for YOU! You've got the most unbelievable blue eyes I've ever seen
You've got me almost melting away
As we lay there, under a blue sky of pure white stars
It's like sweetness and magical time I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you Say you'll me forever
Never stop, never whatever
Near and far, always and everywhere
Say you'll me forever
Never stop, never whatever
Near and far, always and everywhere
Say you'll me forever
Never stop, never whatever
Near and far, always and everywhere
Say you'll me forever
Never stop, never whatever
Near and far, always and everywhere I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

I love you always forever
Near and far, closer together
Everywhere, I will be with you(Everything, I will do for you...)
