

Apartment (Captain Cuts Remix)

Young the Giant

After leaving my apartment
I feel this cold inside me
It howls away all through the market
It calls your name On my way to your apartment
I write for fear of silence
You carved a boat to sell my shadow
Now I walk alone Alright, alright I hit the sidewalk and this is how it starts
Hide in a raincoat when things are falling apart After leaving your apartment
I hear the coast by nightfall
So sure to keep you dreaming
You understood
Oh, I know you understood
Yes sir, it shows I was no good Alright, Alright I hit the sidewalk and this is how it starts
Hide in a raincoat when things are falling apart
Cause sooner or later this is bound to stop
Come on, let's savor what we're falling over After leaving your apartment
I hear the coast
