Fire Away (Gosteffects Remix)

Skrillex

Take me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you, take me with you
Take me with you when you
Take me with you, take me with you
(Take me with you when you)Take me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call homeTake me with you when you go
Don't leave me out here on my own
Take me with you when you go
Fire away, fuck this place that we call home
