

# A Public Affair

Jessica Simpson

There go the streetlights, the night's officially on  
I got the green light to do whatever I want  
I'm gonna stand outside the box and put the rules on hold  
Tonight, carte blanche, 1st class for the evening  
Ready, set, go!

All the girls stepping out for a public affair  
All night, let's rock, 'cause the party don't stop  
All the cameras come out for a public affair  
Who cares, let's rock, 'cause the party don't stop  
Hey, baby, I see you looking over here, baby  
Are you gonna keep looking or get up and talk to me?  
Here's an opportunity that you don't wanna miss  
Tonight, carte blanche, 1st class for the evening  
Ready, set, go!

All the girls stepping out for a public affair  
All night, let's rock, 'cause the party don't stop  
All the cameras come out for a public affair  
Who cares, let's rock, 'cause the party don't stop  
Do what you wanna do tonight  
The world does not exist, no no no no  
Move how you wanna move, all my girls work it out like this  
Give me room to shake, shake, shake

All the girls stepping out for a public affair  
All night, let's rock, 'cause the party don't stop  
All the cameras come out for a public affair  
Who cares, let's rock, 'cause the party don't stop  
All the girls stepping out for a public affair  
All night, let's rock, 'cause the party don't stop  
All the cameras come out for a public affair  
Who cares, let's rock, 'cause the party don't stop  
All night, don't stop  
Who cares, let's rock  
All night, don't stop  
Who cares, let's rock

All the girls stepping out for a public affair  
All night, let's rock, 'cause the party don't stop  
All the cameras come out for a public affair  
Who cares, let's rock, 'cause the party don't stop
