

First Kiss

Alexander Rybak

Deep in your heart
There's a small hidden room
And you know that I hold the key
You're gonna travell all over the world
Places where I'll never be

Someday you'll marry the man of your dreams
And I will be crying all night
But there is a secret that both of us know
That's why I'm feeling alright
Yes, there is a secret that both of us know
And that's why I'm feeling alright

And there'll be
Smart guys and tall guys - whose stronger than me
Ten times the charmer than I'll ever be
But one thing, Maria, I sure didn't miss
Our very first kiss

Need I say more?
The feeling is pure
And I felt the warmth of your lips
Though the time will go on
And the seasons will change
I'll allways think back on our kiss

Someday the runway will carry you home
And I will be smiling all night
Cause there is a secret that both of us know
And that's why I'm feeling alright
Yes, there is a secret that both of us know
But secrets belong in the night

There may be
Shy girls and short girls - whose richer than you
Ten times the lady and one of a few
But one thing, Maria, you sure didn't miss
My very first kiss

Deep in my mind there's confusion and hope

And I know that you stole my thoughts
I gonna travell all over the world
Searching for someone to hold

Those say it's over
When I'm underneath
Let's see if our feelings unite
Oh, there is a secret that both of us know
And that's why we're smiling tonight
Yes, there is a secret that both of us know
That's why we're smiling tonight

There may be
Someone who truly believes love is blind
But I beg to differ there's two of a kind
They will find each other
And that is real bliss
Our very first kiss
