

# Unbreakable Heart

Jessica Andrews

An empty room, a broken fairytale  
A hollow girl with empty arms  
From an angel's tears God made the stars  
Why can't he make me an unbreakable heart? In my blue world, you shone like heaven's fire  
And left me cryin' in the dark  
How could anyone be so hard?  
Did you think I had an unbreakable heart? I suppose I should know  
Sometimes love just comes and goes  
But I believed, foolish me  
We'd go on and on One day, someone will come to you  
And rock you tightly in her arms  
Please remember this when you drop your guard  
Nobody has an unbreakable heart From an angel's wings to a fallen star  
God makes everything but unbreakable hearts
