

# Not Coming Home

**Sawyer Fredericks**

I've been, I've been away so long  
And I am, I am feeling alone  
The sun doesn't shine down on my home  
So don't wait up, I won't be comin' homeOh, oh, oh, comin' home  
Oh, oh, oh oh  
Comin' home oh, oh, oh  
Comin' homeI do, I do still remember that house  
The joy it had and the warmth it lost  
And I know, I know those times are done  
The house it was is long, long goneOh, oh, oh, long gone  
Oh, oh, oh  
Ain't comin' home oh, oh, oh  
Ain't comin' homeThis life I live in don't feel nothin' like home  
This life I live in don't feel nothin' like home  
This life I live in don't feel nothin' like home  
This life I live in don't feel nothin' like homeOh oh oh home, home, home  
Woah oh oh oh home, home, home  
Ain't comin' home home, home, home  
Ain't coming homeAnd I've been, I've been away so long  
This life I live is not my home
