

# Leave While I'm Not Looking

## Paloma Faith

If you're gonna leave  
You're gonna leave my heart in pieces  
If you're gonna go  
Then you're gonna be the reason why  
I I I cry If this is goodbye  
Then you're gonna leave me shattered  
You're gonna take away  
Only everything that matters  
I I I might die So if you go  
Leave while I'm not looking  
Do it fast  
Oh please don't kill me slow  
Leave while I'm not looking  
Go silently  
So my heart won't know  
Leave while I'm not looking  
'Cause I can't watch you go  
Watch you go  
Watch you go If this is the end  
Then it's only gonna end me  
You rip my heart apart  
There ain't nothing gonna mend me  
I I I won't lie If you walk away  
Then baby I don't wanna see it  
You're gonna take away  
Only all I've ever needed  
I I I might die So if you go  
Leave while I'm not looking  
Do it fast  
Oh please don't kill me slow  
Leave while I'm not looking  
Go silently  
So my heart won't know  
Leave while I'm not looking  
'Cause I can't watch you go  
Watch you go  
Watch you go (Please) Have some mercy  
You hurt me more than you know  
So if you go

Leave while I'm not looking  
Do it fast  
Oh please don't kill me slow  
Leave while I'm not looking  
Go silently  
So my heart won't know  
Leave while I'm not looking  
'Cause I I I can't stand to see you go  
I oh I can't stand to see you go  
Watch you go  
Watch you go, oh no  
Watch you go  
Watch you go Can't stand to see you go!
