

Down All The Days

The Pogues

Christy Brown
A clown around town
Now man of renown
From Dingle to Down

I can type with me toes
Suck stout through me nose
And where it's gonna end
God only knows

Down all the days
The tap-tap-tapping of the typewriter pays
The gentle rattling of the drays
Down all the days

I have often had to depend upon
The kindness of strangers
But I've never been asked and I never replied
If I supported the Glasgow Rangers

And down all the days
The tap-tap-tapping of the typewriter pays
The gentle rattling of the drays
Down all the days

Down all the days
The tap-tap-tapping of the typewriter pays
The gentle rattling of the drays
And down all the days
