

# Nancy the Tavern Wench (Acoustic Version)

## Alestorm

I know of a tavern not far from here  
Where you can get some mighty fine beer  
The company's true and the wenches are pretty  
It's the greatest damn place in the whole of the city  
If you're looking for crewmates, you'll sure find 'em there  
Cutthroats and lowlives and worse I should dare  
Ol' Nancy don't care who comes to her inn  
It's a den of debauchery violence and sin So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe If you're looking to go on a glorious quest  
There's a man there who knows of an old treasure chest  
For some pieces of eight and a tankard of ale  
He'll show you the map and tell you it's tale  
And then there's Nancy, the lovely barmaid  
She may be old but her beauty ain't fading  
Ol' Nancy don't care who comes to her inn  
It's a den of debauchery violence and sin So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe So come take a drink and drown your sorrows  
And all of our fears will be gone till tomorrow  
We'll have no regrets and live for the day  
In Nancy's harbor cafe
