She Speaks

Paul Weller

Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strongEbb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strongDown watery steps
To the oceans roar
Team of wild horses
Play to thunderous applauseWhat is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim insteadDown watery steps
To the oceans roar
Team of wild horses
Play to thunderous applauseWhat is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim insteadEbb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
