

# She Speaks

**Paul Weller**

Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strongEbb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strongDown watery steps  
To the oceans roar  
Team of wild horses  
Play to thunderous applauseWhat is my meaning?  
I try to fathom out  
But it's a murky world down there  
So I turn around and just swim insteadDown watery steps  
To the oceans roar  
Team of wild horses  
Play to thunderous applauseWhat is my meaning?  
I try to fathom out  
But it's a murky world down there  
So I turn around and just swim insteadEbb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong
