

Camouflage

Mexicolas

Shall we go back to bed
For the rest of the year
Pull the sheets over our heads
As we disappear

Beneath the camouflage (x2)

Shall we fall for awhile
I promise that I'll, not let go of your hand 'til we land beneath the camouflage

Beneath the camouflage

Your hot hands, and small heart, have found me out beneath the camouflage (x2)
Beneath the camouflage (x3)

'Cause your hot hands, and small heart, have found me out beneath the camouflage
Your hot hands, and small heart, have found me out beneath the camouflage (x3)
Beneath the camouflage
