If There's Anything I Can Do

Vince Gill

Baby I'm so sorry, your world came crashing in
It's times like these you need a friend
You don't have to worry, it's out of our hands
I believe that we're part of a much bigger planIf there's anything I can do
Just call and I'll come runnin'
I will always be here for you
If there's anything I can doYour eyes are filled with sorrow, your heart is filled with pain
Just let the tears fall down like rain
Promise you tomorrow, the sun is goin' to shine
All you can do is take it one day at a timeIf there's anything I can do
Just call and I'll come runnin'
I will always be here for you
If there's anything I can doIf there's anything I can do
Just call and I'll come runnin'
I will always be here for you
If there's anything I can do
