

Fool No More

Ann Wilson

Oooh, Another day
Another night
Another silence
Another fight
Burning up
Cooling downAnd back here again
on the Ground
I've been a fool
to let you take me
Steal my precious time, oooh
I've been a fool
to let you fake me
Fuck around with my mind, yaaa
In the mirror I see it
How do I free it
and be a fool no more
People busy
People blindDreaming, dreaming away, yaaa
Empty hours just fly
A flaming sunset melting down the sky
Hours disappearing
Falling into time
You are a fool if you don't see that
When you just pull down your blinds, ooohYou're such a fool to believe that
You got endless, endless, endless time, oooh
How can I heal it
If I can't feel it
and be a fool, be a fool no more
Fool no more
Hey!
Another night
Another day
Another silence turning away
I've been a fool in this lifetime, yaaa
I was a fool before, yaaa
I've been a fool on the ceiling
I've been a fool on the floor, yaaaa
In the mirror I see it
but how do I hear it

I can't feel myself
I can't heal myself
and be a fool, a fool no more
Be a fool
Believe me baby, I won't fool
I was a fool, yaaa
