Everybody Getcha Hands Up

(Heyyy Hooo)

By KingCharlie Prince

(Chorus) 4 Times

Everybody Getcha Hands Up,

(Heyyyy)

Putcha Hands Up In The Air

(Hooo)

We rock and roll and Rolling Rock we go 24/7 around the clock, we not gonna stop

Everybody, put your drinks down we bout to party

Like my man Slick Rick said, ladi dadi

Fellas want to do it right, let's get us a girl

Show'em we could rock all night, an rock their world

You see its on and poppin and ladies fine

And I'm looking for that special one to be mine

Hey pretty mama what's your plan tonight ?

Did you come by yourself ? You got a man ? Alright

Oh well, I guess I gotta keep it movin

In the mean time, keep this party groovin

It wont be hard cause I'm who ? Charlie Prince

Yo checkout shorty, now that booty make no sense

But meanwhile, I'm gonna see if I can get her

Now if she say no, y'all can bet I'm not gone sweat her

(Chorus) 4 Times

Everybody Getcha Hands Up,

(Heyyyy)

Putcha Hands Up In The Air

(Hooo)

(2nd Verse)

Now the party is jumping, and the place is pack

While the DJ is spinning the records back

Fellas all around, the ladies are looking hot

Yeah I call them ladies, we don't ever call them thots

But anyway, who could do the latest dance ?

We could take it to Germany or take it into France

If you want to, we could take it to London even Japan

If they wanna learn the dance, can we teach ? Yes we can

Checkout shorty, the clothes she wearing isn't ghetto

Mink down, diamond earnings, wearing stilettos

Oh my God, checkout shorty right there, I never saw her

Now If she's alone, I could be the brother for her

It's so hot, I think the roof is still on fire

Looking at ladies an how they dress in there attire

Fellas, man up cause it's enough to go around

It's the KingCharlie Prince, from the Bronx, boogie down

(Chorus) 4 Times

Everybody Getcha Hands Up,

(Heyyyy)

Putcha Hands Up In The Air

(Hooo)
