

Craziest

Miss Montreal

I'm just used to running around
And never looking back
Such a mess but no regrets
Got me here I've found you but how long can it last
What is next, please tell me what's ahead
'Cause it's scaring me to death I've been crazy all my life
Never quite like this
I doubt on many things, the craziest
But feeling like it's loved
Loving where we are
Of all the things I've done
It's the craziest by far
It's the way you handle me that catches me off guard
When I break down you just wait out
You don't seem to be distract but how long will you last
What is next, please tell me what's ahead
'Cause it's scaring me to death I've been crazy all my life
Never quite like this
I doubt on many things, the craziest
But feeling like it's loved
Loving where we are
Of all the things I've done
It's the craziest by far I've been crazy all my life
Never quite like this
I doubt on many things, the craziest
But feeling like it's loved
Loving where we are
Of all the things I've done
It's the craziest by far
I've been crazy all my life
Never quite like this
I doubt on many things, the craziest
But feeling like it's loved
Loving where we are
Of all the things I've done
It's the craziest by far
