## Band of Merrymakers

Snow  
We want snow  
We want snow  
Snow  
SnowWelcome to our  
Christmas party  
Grab ya coat  
Gonna have some fun  
Time to get this  
Season started  
Raise ya cup  
Cheers to everyone yeahJingle bell jingle bell let's sleigh  
Yeah we've been waitin' so long  
For the holiday yeah  
Jingle bell jingle bell let's sleigh  
Yeah we've been waitin' so long  
Gotta celebrateCause we're wishin'  
for a blizzard  
And a pint of cheerWe're laughin' and a clappin'  
This time of year yeahSnow  
We want snow  
From New York to  
California here we go  
Oh snow  
We want snow  
For the London Bridge  
And kids in  
Tokyo  
Lookin up up up  
For that frosty flaky stuff  
Let it fall fall fall  
Tonight  
Snow  
We want snow  
We want snow  
Snow  
SnowWeatherman says a storm is coming  
Temperature's gonna hit zero  
Kids are staring out the window

Hoping jack frost nips their nose  
Jingle bell jingle bell let's sleigh  
yeah we've been waitin' so long  
For the holiday yeah  
Jingle bell jingle bell let's sleigh  
yeah we've been waitin' so long  
Gotta celebrate  
Cause we're wishin'  
for a blizzard

And a pint of cheer  
We're laughin' and a clappin'  
This time of year yeah  
Snow  
We want snow  
From New York to  
California here we go  
Oh snow  
We want snow  
For the London Bridge  
And kids in  
Tokyo  
Lookin up up up  
For that frosty flaky stuff  
Let it fall fall fall  
Tonight  
Snow  
We want snow  
We want snow  
Snow  
Snow  
When we wake up  
It's all marshmallow white  
Ain't this a wonderful life  
Snow  
We want snow  
From New York to  
California here we go  
Oh snow  
We want snow  
From London Bridge  
And kids in  
Tokyo  
Lookin up up up  
For that frosty flaky stuff  
Let it fall fall fall  
Tonight  
Snow  
We want snow  
We want snow  
Snow

SnowWhen we wake up  
It's all marshmallow white  
Time for a snowball fight
