## **Wasted Life**

## **Urban Waste**

I could be a soldier
Go out there and fight to save this land
Be a people's soldier
Paramilitary gun in handI won't be a soldier
I won't take no orders from no-one
Stuff their fucking armies
Killing isn't my idea of funThey wanna waste my life
They wanna waste my time
They wanna waste my life
And they've stolen it awayI could be a hero
Live and die for their 'Important' cause

Or an independent state with lawsAnd rules and regulations
That merely cause disturbances and wars

A united nation

That is what I've got now

All thanks to the freedom-seeking hordesThey wanna waste my life

They wanna waste my time

They wanna waste my life

And they've stolen it awayI'm not gonna be taken in

They said if I don't join I just can't win

I've heard that story many times before

And every time I threw it out the doorStill they come up to me

With a different name but same old face

I can see the connection

With another time and a different placeThey ain't blonde-haired or blue-eyed

But they think that they're the master race

They're nothing but blind fascists

Brought up to hate and given lives to waste They wanna waste my life

They wanna waste my time They wanna waste my life

And they've stolen it away
