

Armada Latina (feat. Pitbull & Marc Anthony)

Cypress Hill

Ay Caribe la tierra de mi gente hermosa
(Armada Latina)
Cielo y sol, me acompaan donde quiera
(Mi fama in prada)
Hermanito la lucha recien empieza
(Hermano ponle gana)
Yo nac con sangre taina, yo nacCame out the other man, southern land
Didn't have another hand
Never had another plan
I'm different to the mother landSome will get a summer tan
It's hotter than a summer jam
Live for today 'cause you'll
Never gettin' another chanceI ain't trippin' off the
He say and she say
'Cause we say fuck off
And pass me a cuba libreThat's what we want, don't front
I could see you but
You don't want to see the cohi upfront
How we blow it upWe came to blow it up
Hit the spot so we're done
Rappers in, blowin' up
That's how we show the loveThat's how we pass up all this shit
That we've overcome
It's like the soldier's run is done
When the war's wonAy Caribe la tierra de mi gente hermosa
(Armada Latina)
Cielo y sol, me acompaan donde quiera
(Mi fama in prada)
Hermanito la lucha recien empieza
(Hermano ponle gana)
Yo nac con sangre taina, yo nacLatino hasta la muerte
Chicos, they working hard
'Bout the noise
Suerte gracias a Dios, thank GodLittle Cuban from Miami
Coulda took that coke route
Marinero balsero con clinicas
Santero con mueraQue dicen que pueden curar la abuela
Ya'll like Scarface, I'm more like Sosa
Cypress Hill, pretty flaco

It's our culture From Cali to the crib, crib
Me in Miami
Thank God, I'm doin' music
If not, I'd be turning families I'm not an asshole
(Oh, no)
About my cash flow
Let me take this shit
And send this letter to Castro
Ha, ha, ha, Dale Ay Caribe la tierra de mi gente hermosa
(Armada Latina)
Cielo y sol, me acompaan donde quiera
(Mi fama in prada)
Hermanito la lucha recien empieza
(Hermano ponle gana)
Yo nac con sangre taina, yo nac We way too hot
Always comin' up with something clever
Our Costa Nostra
Cypress Hill, maca fella Feelin' fancy in the hip throne
Guayabera
And we just clowning
On what we call some, honey-lera Call me Sammy
Wild child from the isles
I can go forever like an
Old fashioned country mouse Stilo be guajiro
Latino is the lingo
I'm straight cubanichi
I bang Pinar del Rio Lockin' up this function
Just like Banimio
They go ahead and play the chongas
And I'm gonna rap over it Ya, I'm a fool I'm outta here
Yes, sir, I gotta go
Get me some chibirica
And slap me some dominoes Ay Caribe la tierra de mi gente hermosa
(Armada Latina)
Cielo y sol, me acompaan donde quiera
(Mi fama in prada)
Hermanito la lucha recien empieza
(Hermano ponle gana)
Yo nac con sangre taina, yo nac
