

# Feel So Numb

Rob Zombie

I feel so good I feel so numb, yeah  
Yeah! Mud bath, acrobat, a midnight drive  
Everybody's slippin', everybody survive  
Radio talk show try to project  
Everything you need when you gotta connect  
Come on, come on, come on, you feel it  
Come on, come on, come on, you see it  
Come on, come on, come on, you wanna make it all right  
Come on, come on, come on, you feel it  
Come on, come on, come on, you see it  
Come on, come on, come on, you wanna make it all right  
Blacken the sun! What have I done?  
I feel so bad I feel so numb yeah!  
Blacken the sun! What have I done?  
I feel so good I feel so numb yeah!  
Sugar sweet brainiac on your neck  
Get in to tomorrow man I gotta reflect  
A blue world green girl up the street  
Gotta wake her it 'cause I don't wanna dream  
Come on come on come on you feel it

Come on come on come on you wanna make it all right  
Come on come on come on you feel it  
Come on come on come on you see it  
Come on come on come on you wanna make it all right

I feel so bad I feel so numb yeah!  
Blacken the sun! What have I done?
