# Do You Dream In Colour

## Bill Nelson

Music in the ice-box
Laughter in the dark
Echoes in the silence
Waiting for the spark
Hold me while I'm naked
Catch me if you can
Suicide statements
Are the measure of a man

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?
Do you dream at all?

Turning on the big screen
Helpless to resist
Video junkie
Looking for a fix
Sick obsession
Terminal twist
Caught in possession
Of an ever-open wrist

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?
Do you dream at all?

Death by violence
Destiny decrees
A permanent reliance
On the science of extremes
Absent at the wedding
Present at the birth
Turning off the lights now
All across the earth

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?

Do you dream at all?

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?
Do you dream at all?

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?
Do you dream at all?

Do you dream in colour?
Do you dream in colour?
Do you dream in colour?
Do you dream at all?
