Rock And Roll Evacuation

Electric Six

This is an evil generation
I see with my eyes
I seen ?em walking around in their suits
And honey, I seen the ties
Evil girls biting good girls
Turning good girls into evil girls
Evil boys eating evil hamburgers
Evil boys eating evil fries
This is an evil generation
Rock and roll evacuation
As far as the eye can see
Hey, hey, hey, hey
Tune into this radio station
Rock and roll evacuation
In a fit of emergency
We are just hungry little creatures
Feeding upon lies
I seen ?em lining us up on the wall
And trading us for pies
Seen a man on the television
Telling me to listen to the radio
Hear the man on the radio
Telling me no, no, no, no, no, no, no, no, no
This is a bad, bad situation
Rock and roll evacuation
It?s not looking too good to me
Hey, hey, hey, hey
Evil spreads across the nation
Rock and roll evacuation
Apocalyptic insurgency
You kill the body child
But the head is still gonna live
You can give all your money now
'Til there?s nothing left to give
You can play your electric guitar
But it ain?t gonna change the world
You can get all emotional on me
Cry like a little girl, cry
We are disposable creations

They?re throwing us away
Ignoring everything that we do
And everything that we say
Mr. President make a little money
Sending people you don?t know to Iraq
Mr. President I don?t like you
You don?t know how to rock
This is an evil generation
Rock and roll evacuation
As far as the eye can see
Hey, hey, hey, hey
Tune into this radio station
Rock and roll evacuation
In a fit of emergency
