

Time Shall Tell

Therion

Death
Eviscerate a child
Violence evocation
Insouciance of life Face the truth Governments is shit
In all countries
What shall we vote?
Violence in the streets
Violence everywhere
When shall you die? Heaven or hell
Time shall tell Everything's controlled
Except for the violence
Demented by blood
Betrayal of life Abrogations of the laws
Aberrations
Filled with gore Earth shall die
On satan's altar
A fading cry
From the lessers Torment
Til the end
Glory
Will descend
