

# Life With You

## Celtic Thunder

When I was a younger man  
When I was a silly boy  
I didn't need a thing  
I was strong as anything  
I viewed solitude as a joy  
But since I met you I'm distraught  
You wandered in and now I'm caught  
I never thought I would see  
Someone so truly good  
Someone who's so everything I'm not  
I want to spend my life with you  
Don't want to live all alone  
I can't conceive of the years left to me  
Without you in our home  
But what if, what if, what if, what  
If it's not perfect then it's not  
But every care I take  
Nothing I won't forsake  
To [Incomprehensible] decide what you've got  
Every time I think about you  
I think I can't live without you  
I tell you something  
I am nothing without you  
I want to spend my life with you  
Don't want to live all alone  
I can't conceive of the years left to me  
Without you in our home  
I want to spend my life with you  
Don't want to live all alone  
I can't conceive of the years left to me  
Without you in our home  
Without you in our home
