City

Fuel Fandango

i'm waiting for you
around this avenue
i'm lost in the city
i'm looking for peaceand even if there's no light
ans even if i lose my mindand even if there's no lighti'm tired of this city
i'm looking for something realthey say there's not,
nowhere to go,
they say there's not
but there is, i know
and even if there's no light
ans even if i lose my mindand even if there's no lighti'm lost in the city,
where are you now
i'm tired of this city
too noisy for me,
I'm going back to townthey say there's not
nowhere to go,
they say there's not
but there is, i know
nowhere to go,
they say there's not
but i can, i know
i'm lost in the city,
where are you now
i'm tired of this city
too noisy for me,
I'm going back to town
