Paranoid

Kanye West

Why are you so paranoid?
Don't be so paranoid
Don't be so

Baby don't worry bout it
Hey there don't even think about it
You worry bout the wrong things
The wrong things
You worry bout the wrong things
The wrong things
You worry bout the wrong things
The wrong things
You worry bout the wrong things
The wrong things

Tell me right now you really wanna spend your whole life alone?
A little time out might do you good, might do us good fore we be done for good
Coz I can make it good I can make it hood I can make you come I can make you go
I can make it high I can make it fly make you touch the sky hey maybe so
All the time you be up in my checking through my cellphone baby no
You wanna kill the vibe on another night? Here's another fight
Oh here we go
Oh here we go

Baby don't worry bout it
Lady we'll go out to the floor

Anyway they don't know you (They don't know) like I do
They'll never know (Never Know) you
Anyway they don't know you (Never Know) like I do
They'll never know you

All of the time you wanna complain about the nights alone
So now you're here with me show some gratitude leave the attitude way back at home
Yeah you see em look baby let em look give you cold looks cuz we look cold
Yeah you heard about all the word of mouth don't worry about what we can't control
All the talk in the world lost in the world til you finally let that thing go
You wanna check into the heartbreak hotel but sorry we're closed

Baby don't worry bout it

Baby we'll go out to the floor

Anyway (hey) they don't know you like I do
(hey) They'll never know (Never Know) you
Anyway they don't know you (They don't know) like I do
They'll never know you

Baby don't worry about it
Baby don't even think about it
You worry bout the wrong things
The wrong things
You worry bout the wrong things
The wrong things
You worry bout the wrong things
The wrong things
You worry bout the wrong thing

Anyway they don't know you like I do
They'll never know you
Anyway they don't know you like I do
They'll never know you

Anyway they don't know you like I do
They'll never know you
Anyway they don't know you like I do
They'll never know you
