

Love

Kids In The Way

Love, is it all that you want.
Is it everything you hope for.
Love, is it more than the word that you use when you look at her. Love, it will push you around.
It will make you a poor man.
Change your picture of heaven, heaven.
Love, it will make you a man.
It will make you a child again. Love, does it keep you awake.
Does it change everything you see. Love, is It worth what you give.
Is It everything you need. Love, it will push you around.
It will make you a poor man.
Change your picture of heaven, heaven.
Love, it will make you a man.
It will make you a child again.
