

I Know

Kiley Dean

Lord
I take this time out for you
I take every time out for you
I know
I know you know
I love you
And I thank you
For all the blessings
That you've given to me
Thank you, Lord
Thank you Early Sunday morning service
It's only you that I worship
For you
I clap my hands and stomp my feet
I will, I will yeah
A lot of folks don't understand
Why I give my testimony, yeah
It's because you are
So good to me
And I know I know
I know, I know, yeah
I know, oh
I know you know I love you
I know
I know
I know
I know you know I love you
Yeah I can't see ya
But I know you're there
There's no one who can
Compare
You watch over me
And supply all my needs
(Thank you, Lord)
Lord when I slip and I Fall
I get on my knees
And it's you I call
You don't have no problem
Ever forgiving me

Don't wanna take
Advantage of ya, lord I know
I know (hey, yeah)
I know
I know you know I love you
(I know you know I love you, hey)
I know
Oh, I know
(I know)
I know
I know you know I love you
(I know you know I love you) I'm on my knees every night
Every day
In and out the studio
Driving home in my car
On the clay
At my home
I love you
How can I show you
How much I appreciate ya
You've given me life
You've given me the chance
To show the world
Your love I know
I know (I know)
(I'm gonna show you)
I know
I know you know I love you
(I know you know, I know you know, I love you, hey)
I know
I know
(I know, I know, I know, I know)
I know
(I know you know, you know, you know)
I know you know I love you
(I know you know I love you)
(You know, you know, you know, you know) I know (I know)
I know (I wanna worship you Jesus)
I know (for the rest of my life)
I know you know I love you
(When I get to heaven,
I'll still worship you)
I know (you're my king)
I know (you're my guide)
I know (I love you, you love me)

I know you know I love you
(Thank you, thank you) Thank you, Jesus
