

# I Miss You

## Simple Plan

To see you when I wake up is a gift  
I didn't think could be real  
To know that you feel the same as I do  
Is a three fold utopian dream You do something to me that I can't explain  
So would I be out of line if I said  
I miss you? I see your picture  
I smell your skin on the empty pillow next to mine  
You have only been gone ten days  
But already I'm wasting away I know I'll see you again  
Whether far or soon  
But I need you to know  
That I care and I miss you
