

Common Denominator

Justin Bieber

Just a fraction of your love
Fills the air
And I fall in love with you
All over again, woo woo woo
You're the light that feeds the sun
In my world
I'd face a thousand years of pain for my girl
Out of all the things in life that I could fear
The only thing that would hurt me,
Is if you weren't here, whoa I don't wanna go back to just being one half of the equation
You understand what I'm sayin'?
Girl, without you I'm lost
Can't face this compass at heart
Between me and love,
You're the common denominator
Oh, oh, oh, oh
Common denominator
Oh, yeah, woa Before you're love was low
Playing girls was my high
We chase the game that would put
My cot in the side, aye
When broken hearts rise up to say,
Love is a lie
You and I would stand to be love's reply Out of all things in life that I could fear, yeah
The only thing that would hurt me is if you weren't here, whoa I don't wanna go back to just being one half of
the equation
You understand what I'm sayin'?
Girl, without you I'm lost
Can't face this compass at heart
Between me and love,
You're the common denominator
Oh, oh, oh, oh
Common denominator
Oh, yeah, woa I can't imagine life without your touch
And every kiss that you give, can fill me up
And to all the heart aching
Jealous females hatin'
Imma hold it down for you, you
You, woah, oh, woah

You're the common denominator
Oh yeah woah I don't wanna go back
I don't want to go back
To just being one half of the equation I don't wanna go back to just being one half of the equation
You understand what I'm sayin'?
Girl, without you I'm lost
Can't face this compass at heart
Between me and love,
You're the common denominator
Oh, oh, oh, oh
Common denominator
Oh, yeah, woa Just a fraction of your love fills the air
And I fall in love with you all over again
