

Crawl Through the Fire

Adam Lambert

i cant find you
in the smoke
the night is burning
as we choke
fire, fire, all around
fire, fire, hit the ground
get on the floor, souls to breathe
get on the floor, souls to seefight the heat
crawl to mefire, fire erupts
fire, fire blowing up
get on the floor, on your knees
get on the floor, til they bleedcrawl through the fire
rescue and inspire
crawl, make it through
saving me, saving youi cant find you
in the smoke
the night is burning
as we choke
fire, fire erupts
fire, fire blowing up
get on the floor, on your knees
get on the floor, til they bleedfight the heat
crawl to me, yeahcrawl through the fire
rescue and inspire
crawl, make it through
saving me, saving youwhoao
whoaofight the heat
crawl to me, yeah, yeah,
yeahcrawl through the fire
rescue and inspire
crawl, make it through
saving me, saving you
