

Stand Up

Santana

Love brings a change
I want to take a chance
And let it grow
I trust my feelings
I want to be with you
Wherever you go Oh baby
We're more than friends
So precious it should never end
Oh baby
Can't help but win Stand up, say it loud
What we need is a lot more love
Stand up, say it loud
What we need is a lotta good good love Tonight is our turn
We have the opportunity
Don't be afraid
Want to make you happy
Satisfy the dreams inside our heads Ooh daylight comes around so fast
I want to make this evening last
Ooh baby, I've given my best Stand up, say it loud
What we need is a lotta love
Stand up, shout it out
What we need is a lot more love Ooh baby, new dreams to share
And someone that will truly care
If you're lonely
I will always be there Stand up, say it loud
What we need is a lot more love
Stand up, shout it out
What we need is a lotta good good love
