

Timebomb (Brian Cua Extended Bootleg)

Kylie Minogue

Fast, time is ticking oh so fast
The sand is running quick right through our hands
 Beat, feel the rhythm in my heartbeat
 Why don't you move your body to my body
 Before we disappearTell me now, woo
 Do you want to, want to, want to, woo
I want to, want to dance like it was the last dance of my life
 I want to woo, want to, want to, want to, want to, woo
Do you want to, want to dance, like it was the last danceWait, no, please don't make me wait
 When walls are shaking, ground feels like it might break
 It's not the end of the world
 It's just the start of me and you, yeah
 So let's just take the moment
 Boy let's move
 Tell me now, woo
 Do you want to, want to, want to, woo
 I want to, want to dance like it was the last dance of my life
 I want to woo, want to, want to, want to, want to, woo
Do you want to, want to dance, like it was the last danceWe're on a timebomb, it might not last long
 So let's just do it right now, do it come on
 We're on a timebomb, before the night's gone
 Let's just do it right now, do it come on, come onWait, please don't make me wait
 Wait, please don't make me waitTell me now, woo
 Do you want to, want to, want to, woo
 I want to, want to dance like it was the last dance of my life
 I want to woo, want to, want to, want to, want to, woo
 Do you want to, want to dance, like it was the last dance
 We're on a timebomb, it might not last long
 So let's just do it right now, do it come on
 We're on a timebomb, before the night's gone
 Let's just do it right now, do it come on, come on
