## Portishead

Oh, can't anybody see  
We've got a war to fight?  
Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment?  
How can it feel, this wrong?

Storm

In the morning light  
I feel, no more  
Can I say frozen to myself?  
I get nobody on my side  
And surely that ain't right  
Surely that ain't right  
Oh, can't anybody see  
We've got a war to fight?

Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment?  
How can it feel, this wrong?  
How can it feel this wrong  
From this moment?  
How can it feel, this wrong?  
Oh, can't anybody see  
We've got a war to fight?  
Never found our way  
Regardless of what they say  
How can it feel, this wrong  
From this moment?  
How can it feel, this wrong?
