

Wish You the Worst

Katy Perry

I saw you at the grocery store
Oh, you both looked happy
Picking out the usualShe's a carbon copy
Of everything you lost
Of everything I'm not
I guess you just forgot
How to pick 'emIf she's the one I've heard about
I'm disappointed
If she's the reason why you left
I'm not impressed at allWell, this looks like the end
Yeah, we can still be friends
CongratulationsLet me be the first
To wish you the worst
'Cause I think you
Deserve each otherLet me the curse that creeps
Under your skin
Until your heart caves in
And you wish
The was me againAnd again
And again
And againWell, someone had to tell the truth
And I'm always honest
I read you like an open bookAnd it's obvious to me
She's just the one between
Heading no where fast
Sure, it's gonna last foreverLet me be the first
To wish you the worst
'Cause I think you
Deserve each otherLet me the curse that creeps
Under your skin
Until your heart caves in
And you wish she was meLet me be the first
To wish you the worst
'Cause I think you
Deserve each otherLet me the curse that creeps
Under your skin
Until your heart caves in
And you wish she was me againAnd again
And again

And again Oh, you wish
You wish
You wish
You do
