Smashed Into Pieces (2013)

Silverstein

Never again
I'll slit my throat with the knife I pulled out of my spine
Maybe when you find out that I'm dead
You'll realize what you did to meAnd if my lungs still let me breathe
Would you be there for me?
If I can make myself believe
I'll give you back what you took awayNo, I won't let it go
Douse myself in gasoline
So don't save me when you come into the fire
I'd rather die than have to see your smileAnd if my lungs still let me breathe
Would you be there for me?
If I can make myself believe
I'll give you back what you took awayYou made me swear
You made me swear
I, I can't sleep
Realize all these things that you took from me
Smash my heart (You made me swear)
Into dust (You made me swear)
Suffocate my mind (You made me swear)
Tear at me from inside (You made me swear)Smash apart what you created
How can I ever stop you from crushing my soul?
It was, it was yours, yours to begin withAnd if my lungs still let me breathe
Would you be there for me?
If I can make myself believe
I'll give you back what you took away
