

# Stolen Moments

Phil Woods

Remembering the days when our love began  
Thinkin' of a million ways to escape and be with you  
But reality wasn't just you and I  
It was long drawn out days and lonely nights  
Dreamin' 'bout you  
I keep dreamin' bout you  
When I'm dreamin' 'bout when you would say  
Let me take you to another place  
When nothing ever seems to matter  
It's just you and me  
We can take flight like a thief in the night  
Stolen moments with you, ooh  
But destiny didn't have such a simple plan  
I was just a girl and you a young man  
How could age define something so divine  
Can this even be real or just exist in my mind  
Dreamin' 'bout you  
I keep dreamin' bout you  
When I'm dreamin' 'bout when you would say  
Let me take you to another place  
When nothing ever seems to matter  
It's just you and me  
We can take flight like a thief in the night  
Stolen moments with you, ooh  
Dreamin' 'bout you  
I keep dreamin' 'bout you  
When I'm dreamin' and praying for the day  
When no one and nothing else takes up our time  
Finally you're only mine  
Each and everyday I'd walk with you right by my side  
But instead we have to hide, sneak around and lie  
Just to spend time alone  
If lovin' is a crime, I'd rather do the time  
And leave the world behind  
Let me take you to another place  
When nothing ever seems to matter  
It's just you and me  
We can take flight like a thief in the night  
Stolen moments with you, ooh

Let's get away, let's get away, oh  
We can get away, we can get away, oh  
Let's get away, let's get away, oh, oh  
We can get away, we can get away, oh
