

Out Of The Rain

The Dukks

Out of the rain, under the shelter
I've been so long where the sun don't shine
Standing at the cross-roads, could have went either way
But now I've found you and the storm is behind
Out of the rain, out of the rain
Over the wall, I'm out in the open
back on the right track
I'm feeling no pain, you took a sparrow and let it fly
With the eagles, I can see a long ways, I feel love again
Out of the rain, out of the rain
There was a time I was
taking no prisoners standing with a cold heart
Standing alone, it took your sweet love to pull me out of the canyon
I believe I can make it I feel like I belong
Out of the rain, out of the rain
Out of the rain, I'm out of the rain
Out of the rain
Out of the rain, under the shelter
I've been so long where the sun don't shine
Standing at the cross-roads, could have went either way
Now I've found you and the storm is behind
