

# Heart Attack

## The Asteroids Galaxy Tour

I'll do twenty-two states and half a mile  
Just to see your face before I die  
And I don't care if all the lights are red  
I got a wild horse running right through my head  
Oh jeeze, louse, now don't you stop  
'Cause I'm not half way through of having enough  
You, and me, until we drop  
We're gonna hip-shake, es-cape  
Come on take-me-to-the-top  
You got me head over heels on gasoline  
You know how it feels, like nicotine  
Head over heels, go raise your flag  
Come on, Bang Bang Bang! Gimme heart attack  
Heart attack  
Burning down the wheels tonight  
(Hey! Are you ready?)  
Burning down the wheels tonight  
(Hey! Are you ready?)  
Burning down the wheels tonight  
(Hey! Hey! Are you ready?)  
Burning down the wheels tonight  
My man knows what, it's all about  
He will shoot me down, then ask me out  
It was meant to be right, from the start  
Yeah he carved his name into my heart
