On the dance floor boogie woogieI know a place where the mood is just right
They've got the vibe and they're pumpin' it all night
When the heat is high and the lights are low
(High low)
And when you want it it's the only place you've gotta goJust come on down to party town
And leave your reservations
At the bus stop baby
At the bus stop baby babyDance dance dance, c'mon and do it baby
Dance dance dance, shake it up shake it down
Dance dance dance, just keep it movin'

Feel the music pump hear the vinyl scream
